Eric Martin,
Plaintiff,

v.

No. 23-127

Ryan Sass, et al.,
Defendants.

Judge

Plaintiff's Objections To
Order Denying Applica-
tion To Proceed In
Forma Pauperis

The reason(s) used in the order denying my application to proceed without fees, is given as, because i did not complete the court form application. I dont need to fill out, answer all the questions on the form, as its irrelevant

to my position as to why the filing fees should be waived, which is clear by reviewing my application to proceed without fees.

By trying to make me fill out the whole form is trying to make me fraudulently agree im obligated to still pay the filing fees (even if not immediate) in violation of My Right Against Slavery, 13th Amendment of U.S. Constitution.

And again as i pointed out in my application the filing fee should be discharged pursuant to House Joint Resolution -192, and My Constitutional Right of Access To The Courts of The First, Fourteenth Amendments, and the U.S. Supreme Courts decision in *Murdock v. Pennsylvania*, 319 U.S. 105.

As the Court said in *Murdock*, "No State shall

convert a liberty into a privilege, license "it, and charge a fee therefore.

Therefore, I Demand the order denying my application to waive the biting extortion fees, be reversed.

Sincerely,
